Statement of Mission

We, the Unitarian Universalist Society of South Suffolk, are a church fellowship that creates a safe home for all people in their spiritual search. We offer services of worship, religious education, and community outreach in an atmosphere that promotes serenity, compassion, mutual support and fun. We celebrate the inner spiritual spark that connects us all.

THANK YOU for turning off cell phones during Service.

Annual Meeting

The annual UUSSS business meeting was held on June 6. The budget was discussed and approved, as was a slate of candidates for the Board of Trustees as prepared by the Nominating Committee. The newly elected Board would like to extend a big THANK YOU to exiting board members Jim Giarraputo, Sea Singh-Perez & Bill Van Zwienen for all they have done for UUSSS.

Congregational Conversation

A number of members stayed for a conversation after the Annual Meeting where certain practices of people attending service were discussed. At issue were lateness and service disruptions such as clapping, conversation, cell phones, and eating. Even the attitudes reflected by attire were discussed. Some believe that the casual nature of our small congregation creates the comfortable atmosphere they enjoy; others felt that some of these of these things did not belong in a Spiritual gathering and showed a lack of respect for those leading the service. Our congregational conversations enrich our relationships with each other and open meaningful dialogs.

Long Island Pride Parade

The threat of rain did not prevent an enthusiastic crowd from attending the 20th Annual Long Island Pride Parade on Sunday June 13. Among the many

groups that marched were several UU congregations including our own! Rev. Nancy Arnold joined with several congregants to march proudly with Elaine Lockwood's new handmade UUSSS banner.
